## 1. ESA NAVISP Element 1 Innovation Grant

Funding Agency: European Space Agency

Country: European Union

Deadline: 2026-07-31

Category: STEM Type: Research Grant

Eligibility: Companies and research institutions in ESA member states

Description: Supports development of innovative PNT (Positioning Navigation Timing) technologies beyond traditional GNSS, including LEO-PNT and hybrid navigation.

Apply: <https://www.esa.int/navisp>

## 2. HEC Pakistan PhD Scholarship in Space Technology

Funding Agency: Higher Education Commission Pakistan

Country: Pakistan

Deadline: 2026-08-20

Category: STEM Type: Scholarship

Eligibility: Pakistani nationals enrolled in PhD programs

Description: Scholarship supporting doctoral research in satellite navigation, remote sensing, and space applications for Pakistani students.

Apply: <https://hec.gov.pk>

## 3. Horizon Europe Space Navigation Fund

Funding Agency: European Commission

Country: European Union

Deadline: 2026-09-01

Category: STEM Type: Research Grant

Eligibility: Institutions and consortia based in EU member states

Description: Funds collaborative research on next-generation GNSS resilience, including anti-spoofing and anti-jamming technologies.

Apply: <https://ec.europa.eu/info/funding-tenders>

## 4. NSF Geodesy and GNSS Research Grant

Funding Agency: National Science Foundation

Country: United States

Deadline: 2026-10-15

Category: STEM Type: Research Grant

Eligibility: PhD candidates and postdoctoral researchers

Description: Supports research into geodetic applications of GNSS, including crustal deformation monitoring and precise positioning techniques.

Apply: <https://www.nsf.gov>

## 5. ISRO RESPOND Research Grant

Funding Agency: Indian Space Research Organisation

Country: India

Deadline: 2026-11-30

Category: STEM Type: Research Grant

Eligibility: Faculty and researchers at Indian universities

Description: Funds university research in GNSS-based applications including NavIC integration, precision agriculture, and disaster management.

Apply: <https://www.isro.gov.in/respond>

## **6. IGS Data Analysis Centre Fellowship**

Funding Agency: International GNSS Service

Country: International

Deadline: 2026-12-01

Category: STEM Type: Fellowship

Eligibility: Early-career researchers with GNSS data processing experience

Description: Fellowship for researchers contributing to global GNSS data analysis, orbit determination, and clock products within the IGS network.
